Hotel Lenkerhof

Hotel Lenkerhof is situated in the southernmost part of the region "Bernese Oberland", in the area of the seven springs of river Simme. At Lenk you will find a distraction from everyday life. Immerse yourself in a world of casual luxury and let yourself be inspired by the unconventional atmosphere, the first-class relaxation possibilities and the impressive mountain scenery. ⇒

Restaurant 'Spettacolo'

Restaurant Spettacolo, which is awarded 16 points by Gault Millau, offers you a selection of 15 different courses every day. Our kitchen team mainly uses local and Swiss products, which he freshly prepares and presents in refined dishes with his kitchen crew. A special highlight is our cheese buffet with over 30 cheese specialties.

Please note that we can only reserve restaurant Spettacolo exclusively for a large number of hotel rooms and guests. ⇒

Restaurant 'Oh de vie'

Our restaurant Oh de Vie offers a perfect alternative to our gourmet restaurant Spettacolo. No matter if for lunch or dinner, our host and the kitchen team (15 Gault-Millau points) will delight you in their very own way.

At lunchtime we offer you a light menu (four courses) of freshly prepared products. We serve a starter variation, a soup and you can choose the main course from fish, meat or vegetarian dishes. Last but not least - something sweet!

In the evening, you can enjoy your dinner in a quiet and dignified atmosphere by candlelight. Our à la carte selection of Italian cuisine is ideal for a romantic evening. Especially tasty are our dishes for two, which are presented and arranged at the table.

The restaurant 'Oh de vie' is perfect for your celebration for up to 40 persons. ⇒

Terrace Lenkerhof

Fresh mountain air, fine delicacies and a wonderful panorama can be found on our terrace. Over lunchtime we will be happy to serve you selected dishes from our Mediterranean 'Oh de Vie' cuisine. Not hungry? Then simply enjoy the sun and the 'dolce far niente'.

Banquet halls

Of course we have additional rooms which can as well be used for your wedding.

Bar & Lobby

We welcome you daily from 10.30 a.m. to enjoy, relax, make contacts or simply to review the day with a suitable drink.

Have a great time with classic cocktails, long drinks and selected wines. We will be happy to advise you on our large selection of international spirits and premium brandies.

A matching cigar? In our Davidoff Lounge we offer a nice assortment of different types of cigars for every taste and every occasion. ⇒

Cigar Lounge

As Mark Twain said, 'If I can't smoke in heaven, I won't go'. How nice it is to relax in our Cigar Lounge with a cigar or cigarette. Enjoy an exquisite cigar after a fine dinner or with an aperitif.

Our cigar menu and the expert advice of our staff will certainly help you to find the right one. A mild one from the Dominican Republic or something stronger from Cuba - everything is possible. Have a good time - you deserve it. ⇒

Wine cellar

Our wine cellar is not just a storage place for fermented grape juice. We regard this place as a forecourt for an interesting and exciting taste experience. Take your time!

Here you can explore and learn; share your knowledge and experience with others or talk shop with like-minded people.

Is there a wine that you especially enjoyed and of which you would like to take a few bottles home? No problem. Many of the wines and fine spirits can be purchased for a reduced price. ⇒

Mountain Restaurant Bühlberg

Stylish, modern, chic - and yet very rustic and down-to-earth - this is what you can expect from restaurant Bühlberg. Hikers and walkers, cyclists and mountain bikers, skiers and snowboarders are all welcome to 'Lenk's most beautiful sun terrace' at 1,664 meters above sea level. We are also very happy to welcome kids if they find the time to leave the huge playground, which is right in front of the door.

In summer and winter, the inn serves authentic Swiss dishes with a modern touch, high quality cheese and milk straight from the alp. Of course you will find the classics of a mountain restaurant in our menu, because those who take the one to one and a half hour route on foot or by mountain bike will not seldom simply want a good portion of Rösti.

But it's not only athletes who can be happy that Lenkerhof runs the restaurant Bühlberg as there are many ways up the mountain: a large parking lot and a regular bus also enable parents or grandparents with buggies, people with handicaps or simply those who are not in a mood of walking a comfortable way up the mountain. From there the view over Wildstrubel, Wildhorn and the Plaine Morte is truly breathtaking. ⇒

7sources beauty & spa

The 7 sources called 'Siebenbrunnen' are the origin river Simme. They spring from a mountain meadow above the Simmen falls directly on the Wildstrubel massif. On its way through a unique landscape all the way to Lake Thun, the Simme releases its energy fluently into the surrounding area. We would like to pass this energy on to you! Water, the source of all life, encourages you to linger, relax and think!

So far you have only combined sauna with hot steam and wooden benches? In the 7sources sauna area we offer you seven different ways to really "sweat". Choose your favourite among sulphur grotto, Finnish sauna (with a view of Lenk), herbal sauna, bio sauna, ice grotto, stone oil sauna and steam bath.

Immerse yourself in the alluring outdoor pool, which dates back almost 350 years. Warm hydromassage jets gently massage your back in 34°C Lenk water. Bathing in it is very good for the skin and helps with skin diseases, rheumatism and joint pain, stimulates the metabolism and thus the purification. However, you can also simply enjoy the view and the swimming.

Swim a few quick laps in the indoor pool. With its 28°C the pool is pleasantly tempered to meet your sporting goals. To strengthen your circulation and muscles we recommend Aqua Fitness, a training that is gentle on joints and back. Through the water resistance strength is developed and endurance is increased, with simultaneous relief of the spine.

Stop the time. At 7sources beauty & spa you can choose from a wide range of beneficial treatments. ⇒
